June 15, 1988

Harold Weisberg
7627 Old Receiver Road
Frederick, Maryland 21701

Dear Mr. Weisberg,

Here is the transcript of the demo tape that The Discovery Channel received for The Day the Dream Died. It includes both the verbatim audio narration and my description of the video. Please note that, as we already discussed, the video for question #12 is one of the actual autopsy photographs, not a sketch.

I will send you the audio cassette copy that I made of it in a day or two but I thought you might like to see the transcript in the meantime. Hopefully I will find a way to make a videotape copy of this tape. I will keep you posted.

Sincerely yours,

Chjo

AUDIO	VIDEO
Twenty-three years ago we all watched these scenes of horror as the assassinated president's body was taken to Washington and we asked, "Why? Why did he have to die? Why was the honeymoon in Camelot over? Why did the dream have to end?"	UNLOADING JFK CASKET OFF OF AIR FORCE ONE
We never got any satisfactory answers for one simple reason: We were asking the wrong questions.	
Today we have discovered dramatic new evidence. Some of it has only become available as a result of the Freedom of Information Act. And now at last we know the questions that should have been asked. Are you ready to hear those questions? Are you ready to face the shocking answers?	
Question 1: Our evidence points to an inescapable conclusion: In all probability this casket was empty. The question is: Why?	
Question 2: Lyndon B. Johnson, Sam Giancanna, Jimmy Hoffa, Howard Hunt. What did all of these men stand to gain from the death of Kennedy?	SPLIT SCREEN: LBJ, GIANCANNA, HOFFA, HUNT
Question 3: Who were these men and why was there never any official interest shown in them?	MOORMAN PHOTO, NIX FILM FRAME WITH "Shadow men"
Question 4: Why did so many of these innocent bystanders have to die?	SEVERAL PHOTOGRAPHS OF DEAD WITNESSES
Question 5: Why was Lee Harvey Oswald arrested so quickly when there was no real evidence to incriminate him?	OSWALD FRIDAY NIGHT PRESS CONFERENCE FILM
Question 6: Who set Jack Ruby up to shoot Oswald?	RUBY SHOOTING OSWALD
Question 7: Why was it necessary to crush the back of JFK's skull with a blunt instrument after he died?	PHOTO: JFK WITH CAROLINE
Question 8: Why did these Dallas doctors change their testimony so dramatically the very next day?	PHOTO: DRS. PERRY & CLARK AT PRESS CONFERENCE

AUDIO	VIDEO
Question 9: Why was Kennedy's brain missing?	IDA DOX SKETCH(FROM HSCA) OF JFK HEAD, REAR VIEW
Question 10: This footage shows the bullet hitting Kennedy from the front so why did the official inquiry state that the shots were fired from behind?	ZAPRUDER FILM
Question 11: Why did J. Edgar Hoover refuse to allow any of his agents to testify unless President Johnson personally ordered him to?	J. EDGAR HOOVER PHOTO
Question 12: Why did none of the autopsy surgeons in Washington have any experience of gunshot wounds?	JFK AUTOPSY PHOTOGRAPH
Question 13: These people were actual witnesses of the shooting. Why were they never asked to testify before the Warren Commission?	SPLIT SCREEN: POLICEMAN, WOMAN (Jean Hill?)
Question 14: Why did apparently eminent members of the legal profession perjure themselves to distort the truth?	WARREN COMMISSION PHOTO
For 23 years no one has dared to ask these questions? No one has dared to reveal the answers. Until now.	JFK PORTRAIT

Introduced by Martin Sheen
Directed by Godley and Creme
Written & produced by Chris Plumley
